

Office Memorandum • UNITED STATES GOVERNMENT

TO : Deputy Director of Training (General)
 FROM : Chief, Orientation and Briefing Division
 SUBJECT: Report for Week 16-22 October 1952

DATE: 23 October 1952

I. INDOCTRINATION

1) On Tuesday, 21 October, a total of [] persons attended the Indoctrination Program. This included [] newcomers and [] the Training Officer of OSI.

2) [] desired to attend the program for what he called his own "personal benefit" and, secondly, to be in a better position to tell others in OSI, who have been in the Agency for quite some time, the tangible benefits that would come to them by attending this program.

I. ORIENTATION

1) After considerable tracing of the official notification regarding the Eighth Agency Orientation Course, have at last received assurance that the notice will be issued throughout the organization today.

2) Met with the Director of Training and the DD/TR(G) in []'s office (AD/OIC) to discuss the "national intelligence team" item for incorporation in the next program. Subsequently met with the DD/TR(G) (Director of Training also present) and []. It was agreed that [] would attempt to draft alternative suggestions, one with a scientific approach and the other with a political approach, which would be turned over to the Chief, Orientation and Briefing Division, for appropriate suggestions and to be given to [].

3) Continued cooperation is being rendered by the offices participating on the program. Messrs. Robert Amory (AD/ORR), Huntington Sheldon (AD/OCI), and [] (Deputy Security Officer) have each agreed to appear in presenting their appropriate subject matter. [] (DAD/OSI) has tentatively agreed to present a strong group to represent the Office of Scientific Intelligence.

III. PRESENTATIONS

1) Discussed with [REDACTED], Training Officer for Personnel Office, the various subject headings which would be presented at the forthcoming presentations. [REDACTED] agrees that Personnel should avail themselves of this opportunity to tell policy people about the major problems confronted in personnel work. So far, he has only been able to receive endorsement for two presentations, one on "Personnel Procurement" and the other on "Career Service."

IV. SPECIAL

Per the wishes of the DD/TR(G), made arrangements to supply our Orientations Room facilities for one forenoon of this Course. [REDACTED]

25X1

2) In accordance with the wishes of the Director of Training, made final arrangements with [REDACTED] for the special presentation to be made there on Friday afternoon, 7 November 1952. The subject for this occasion will be: "Interpreting the National Intelligence Mission for those in the Counter Intelligence Corps."

3) In keeping with the request of the DD/TR(G), spoke to Col. [REDACTED] Asst. Commandant, Strategic Intelligence School, about his sending more information regarding the type of presentations which he desires this Agency to make in his program. He stated that he had just released the letter to the Agency regarding speakers for the new course and that he had intended to follow

the procedure of the past, which was to give a sufficiently clear title covering the subject matter and then follow up with individual discussions with the speakers designated so that they would know more definitely what they had to cover. He was most cooperative in his attitude, stating that he would comply with any requirement of the Agency for additional knowledge as to what he wanted done at the School.

25X1

[redacted] called to get recommendations on proposed speakers so that the Director of Training would be in a position to make the final determinations on this subject.

4) Some of the material on organizations of the Departments and of the intelligence agencies within the Departments has begun to come to us. We will attempt to keep this material up to date.

25X1

5) [redacted] (Training Officer/Military) has requested that the Chief, Orientation and Briefing Division, participate in the special conference for Army personnel on tour. This 20-minute presentation on the "National Intelligence Estimating Process" will be presented from 0800 to 0820 on Monday, 27 October 1952.
